11:30am	<i>Q&A</i> Moderated by Dennis Frank-Ito, PhD
11:40-12:40pm	<i>Lunch Break</i>
<hr/>	
12:40pm	<i>"Alumni Keynote Lecture"</i> Brian Perry, MD Professor of Otolaryngology Adult and Pediatric Otology/Neurotology UT Health San Antonio

1:25pm

Q&A

1:35pm

Loupe Presentation by the Family of Samuel Fisher, MD

Moderated by Charles Woodard, MD

1:45pm

"Olfactory Neuroblastoma Mimics Molecular Heterogeneity of Small Cell Lung Cancer"

Jack Finlay, MS4

2:00pm

"Role of Local Immune Signaling in Modulating Long-Term Post COVID Olfactory Injury"

Sarah Kim, MD, PhD

2:15pm

Q&A

Moderated by Alissa Collins, MD

2:25pm

Break

2:35pm

Faculty Talk

"Over a Decade of Framing Head and Neck Cancer Inequities and Outcomes: Still Scratching the Surface"

Nosayaba Osazuwa-Peters, BDS, PhD, MPH, CHES

Associate Professor

Duke University School of Medicine

Department of Head and Neck Surgery & Communication Sciences

Member, Duke Cancer Institute

Department of Population Health Sciences (Secondary appointment)

Deputy Editor, JAMA Otolaryngology-Head and Neck Surgery

3:15pm

Q&A

3:25pm

Awards

Moderated by Kristal Riska, AuD, PhD

3:35pm

Closing Remarks

Kristal Riska, AuD, PhD

3:45pm

Break

4:00pm

Duke Otolaryngology Society Business Meeting

Moderator TBD

Please consider making a gift to support the [**Head and Neck Surgery & Communication Sciences Excellence Fund**](#), which helps to meet the immediate needs of the department's educational mission for our residents. Your donation is an investment in our effort to be a destination known for innovative education and preparing the next generation of otolaryngology leaders. Thank you for your continued support!
